

Dear Junk-Rig Enthusiasts.

This summer, we are hosting a **Junk-rig Get-together** in Greifswald, and you are warmly invited.

We would like the event to be of a nature as informal and spur-of-the-moment as the **Segelgefühl** that connects us all.

The date of the gathering will be the first week-end of September, that is

04.-06.09.2015

Our sail loft is situated in the Greifswalder Museumshafen, right next to the Museumwerft. Our workshop will be the place to **hang out, chat, and talk shop**, and we can offer berths of up to 3,50m depth at the Museumswerft. From the harbour, it's a five minute walk to the Old Town of Greifswald.

But of course, we will want to spend most of our time on the **water**.

Everyone should have the chance to sail on and experience different boats. One idea is to head across the Greifswalder Bodden, and out to Gager/ Rügen.

Land-based travellers are invited to spend the nights at our workshop, or on board one of our boats. We can also offer to arrange for a convenient guesthouse.

Please let us know, if you will be able to make it to Greifswald at the beginning of September – with or without your boat.

Yours,

Sebastian, Mathilda, and the Tuchwerkstatt-Team
